DISCIPLESHIP TRAINING PROGRAM

25th – 27th October, 2024 *Bhiwadi, Rajasthan*

Dear Family,

Greetings in Jesus' mighty name!

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost".

-Matthew 28:19

I'm overwhelmed to share with you our journey of 'Discipleship training'. This is our first venture training disciples for Jesus. You are an integral part of our journey, and we are delighted to share the works of the Lord so you'd rejoice with us in thanking God.

It was in February 2021; the Lord took me to this small industrial town. The first week of the stay I took a prayer walk around this town claiming it for Jesus. Little did I know that years later, He would take me back to this same town and show me His faithful promises and to witness the fruit of a burdened and fervent prayers.

Bhiwadi is a town in Rewari District, Rajasthan. The percentage of believers in this town is very small with a handful of churches that need spiritual awakening.

The Lord led us to Jehovah Jireh AG Church. The Church has an attendance of 80-90 people on Sundays. The Pastor of this church was burdened to organize a 'discipleship training'. This was the first program in the Rewari district till date.

We had a 3-day intense program with mornings visits to nearby villages, houses holding many prayer meetings. In the evenings we had a continuous 2-3 hours of Training program.

The Discipleship Program is aimed to transform a normal believer into a devoted and committed Disciple of the Lord Jesus Christ. Topics on Discipleship included The Mark of a disciple, strategic discipleship, growth of a disciple, Commitment to the Great Commission and making many more disciples. The topics were taught and discussed at length. We had question and answer session, practical discipleship and activity time.

We witnessed deliverances, anointing sessions, baptisms, re-commitment to the Lord and making disciples.

One such testimony is a lady who was to be baptized, manifested as she stepped into the waters of baptism. She had been oppressed and tortured for many years and have been prayed for long but that day the Lord gave her complete deliverance as we prayed and she was set free and healed totally! Praise the Lord...! She joyfully got baptized and became a disciple of Jesus.

The last day was a fantastic day as they were all anointed, empowered, and released into the world to make more disciples. Our hearts rejoiced as they took the pledge, vows and made a decision to follow the Lord Jesus and live for Him as a witness for the rest of their lives. Hallelujah!

What a joy it was to see an army released into God's great commission:

"Go, and make disciples, baptizing them…"

-Matthew 28: 18-19

Go, send or disobey - John Piper.

We are venturing into Orissa, Chhattisgarh and many other states in the coming days with the same mandate of making disciples and releasing them into the world like Jesus did.

If the gospel isn't reaching the ends of the earth, it is because disciples are not being made and sent! The only way for the gospel to reach the world is to raise the disciples and send them.

Bhiwadi is now preparing for a great and mighty Revival meeting in the month of May 2025. The church in Bhiwadi is on its knees to see many people flock into the kingdom of God.

"Rajasthan for Jesus" is an anthem of their song every day.

I hereby take this moment to thank you for standing with us through your support and prayers. You are a part of God's strategic movement in the last days to evangelize, save, disciple and establish HIS kingdom.
